GYÖRGY STRIKER JUNIOR PAPER AWARD

Donated by the Founding Secretary General of the International Measurement Confederation,
Professor György Striker and his wife, Barbara.

Since 1994 the Award (USD 2 000) will be given at the Closing Session of a World Congress to *one junior author below the age of 35 years, whose paper reflects a deep understanding knowledge of the Congress theme, describing a novelty in technology or application.*

The author must be the presenter of the paper and the final decision will be taken by the committee specially nominated for the purpose.
